

ICID–SITES –IFAD Conference on International Development

Rome, 3 - 4 October 2018

Call for papers

The Italian Centre for International Development (ICID), The Italian Development Economists Association (SITES/IDEAS) and the International Fund for Agricultural Development (IFAD) are jointly organizing a conference on international development.

The Conference brings together the V SITES Annual Conference and the III ICID Annual Workshop in a unique event that will convene academics and development practitioners on issues related to international development. The Conference will also aim at identifying key information gaps relating to this theme, thereby helping to guide future research efforts.
