## REVIEW OF LABOUR ECONOMICS AND INDUSTRIAL RELATIONS

### Labour Lectures 2009

Every year, LABOUR organizes a set of “LABOUR Lectures”, aimed at graduate students and young researchers. These Lectures are offered by outstanding researchers in the field and are meant to provide a broad overview of lines of research that are important to labor economists. Past LABOUR Lecturers include Joshua Angrist, Richard Blundell, Martin Browning, Zvi Eckstein, Christopher Flinn, Charles Manski, Stephen Pudney, Jean-Marc Robin, and Arthur van Soest. The 2009 LABOUR Lecturers are Joshua Angrist (MIT), and Costas Meghir (University College London).

**Professor Costas Meghir**  
(University College London)
